And Local Administration Department, Madras.

Ref.No. 71385-1-E1/55 dated 2-8-1955.

Sir,

76841

Sub: Medical Institutions - South Kanara District
Government Headquarters Hospital, Mangalore
Post of Lay Secretary and Treasurer Grade II
Creation of - Proposals - Submitted.

I have to state that the present bed strength of the Government Headquarters Hospital and Government Lady Goschen Hospital, Mangalore are 302 and 160 respectively. The Government Tuberculosis Sanatorium, opened at Mudushedde, a suburb of Mangalore has also been placed under the direct administrative control of the District Medical Officer, South Kanara. The District Medical Officer, South Kanara has stated that, of late numerous bills for the equipment already ordered involving large amount have to be passed and more equipment has to be ordered by him, and that he does not find time in spite of putting very long hours of office work to keep a careful watch over the expenditure. He has also stated that the accounts are at present looked after by a Lower Division Clerk under the supervision of an Upper Division Clerk (Head Clerk) who, besides has to look after the general supervision of the work allotted to other clerks in the office as well as the disposal of other correspondence of the Medical Institutions in the District. As this arrangement is not satisfactory, the District Medical Officer has requested that a post of Lay Secretary and Treasurer Grade II be created for all the Government Medical Institutions at Mangalore.

Consequent on the starting of the Kasturba Medical College at Manipal, both the Government Headquarters Hospital and Lady Goschen Hospital, Mangalore have become teaching medical institutions and this has thrown additional work on the District Medical Officer in the maintenance of accounts as lot of equipment etc. have already been purchased and yet have to be purchased. In addition to this, the Government Tuberculosis Sanatorium, Mudushedde has also started functioning and this institution has been placed under the direct administrative control of the District Medical Officer and the Superintendent. The bed strength of all the three Medical Institutions at Mangalore over which the District Medical Officer has immediate administrative control comes to 502. Naturally the administrative duties of the District Medical Officer, South Kanara District connected with the Hospitals at Mangalore have increased considerably in addition to his professional duties in the Headquarters Hospital, Mangalore and district administration. In view of this it has become absolutely necessary that the District Medical Officer should be divested of some of his duties on the non-technical side, or else I am afraid, that the efficiency of administration in the District will suffer to a great extent.

In this connection I have to state that the posts of Lay Secretary and Treasurers Grade II exist in the following stations where the bed-strength of the Hospitals is as mentioned against them:--

Headquarters Hospital,	Tiruchirapalli	275 beds.
-Do-	Salem	325 "
-Do-	Kozhikode	534 "
-Do-	Coimbatore	500 "

Go. 1194 dt 1-4-55
Go. 3056 dt 27-11-55

I consider that a post of Lay Secretary and Treasurer Grade II should be created immediately for the medical institutions at Mangalore also. I also consider that for the reasons already explained above, this proposal should be considered as of immediate necessity without treating it as a part II scheme. I, accordingly, recommend that a post of Lay Secretary and Treasurer Grade II be created for the medical institutions at Mangalore, South Kanara District with immediate effect. The cost involved in the proposal is indicated in the statement attached.

I request that very early orders of Government may kindly be issued in the matter.

Yours faithfully,

Director of Medical Services.

at Salem and Tiruchirapalli from the date of filling up of the posts till the end of February 56. From the papers leading to the issue of the above orders it is seen that Lay Secretary and Treasurer Grade I has been allowed to hospitals having not less than 250 beds.

cf M's p&c cf dt p'nf (2)

On the present cadre the bed strength of the Govt Headquarters Hospital, [illegible] and the Govt Lady Goschen Hospital Mangalore are 302 and 160 respectively. It is further stated that consequent on the placing of the Administrative Control of the Govt T.B. Sanatorium, Mudushedde under the Control of the D.M.O., the bed strength of all the three Medical institutions at Mangalore over which the D.M.O. has immediate control comes to 502. Having regard to these factors and in view of the reasons set out by the D.M.S. Govt of Finance may agree to sanction one post of Lay Secretary and Treasurer Grade II on Rs 190-250 in the Govt Headquarters Hospital, Mangalore. (The extra cost involved in the proposal works out to Rs 3280/- p.a. recurring).

Generally proposals of this kind are treated only as Part II schemes. Attention is also invited in this connection to the orders issued in the G.O.s at (2), and (3) the proposals referred to therein

have been treated only as Part II schemes. ++ 8-10-55
In the circumstances explained Finance may also treat the proposal in question 76(4) '24'3 may also be treated as a Part II scheme for 1956-57. 5/9/55

With the above remarks the case may be returned to HE&LA.
